As there were some discrepancies in the figures in the President's joint letter, Mr. K. Srinivasa Rao, Vice President, was asked to explain them to the Secy. personally at Mysore on the 23^d March '03. The Vice President saw the Secretary accordingly & said that the statement just submitted ~~contained~~ contained incorrect figures, & promised to send up a revised statement officially thro' the President. That has been received now, and

For reasons explained below, there was some delay in issuing the orders of H. H. the Maharaja in this case

In order to prepare the draft order as directed by the Secretary on the 20th March 1903, the papers were gone through and it was found that the amount stated to be required for the reconstruction of the Agrahar houses, had ^{not} been correctly calculated. In the Vice President's statement received with the President's letter no (Camp) of 22^d Nov 1902, ^{it was shown that} (the amount set apart in Govt P.W. no. $\frac{265-72}{1374-81}$ (D.P.W.) of 7.3.1902. sanctioning Rs. 50000 for the formation of the Curzon Park) for the acquisition of houses was ~~estimated to be~~ Rs. 10000, instead of Rs. 8000 as mentioned in the said order, & ^{that} a sum of Rs. 2176. was available on hand for expenditure in connection with re-construction of the Agrahar houses, & that the amount still required was Rs. 1423-20, while in the President's letter, the amount required was stated to be Rs. 8765-2, leaving out of account the money that was available, & taking into account the amount of Rs. 1221 that had already been paid on account of demolition charges. On these discrepancies being pointed out,

to the Secretary; he wrote a D.O. to Mr. K. Srinivasa Rao, ^{Vice President,} asking him to come & explain them personally on the 23rd March 1903, when he (Levy) was at Mysore. The Vice President saw the Secretary accordingly & admitted the variations in the figures, and promised to send up a revised Statement through the President.

The revised Statement was received on the 30th March in which the additional grant required was shown to be Rs. 5-5-67-2-0, but the amount set apart ^{for acquisition of houses} (out of Rs. 50000 sanctioned for the Curzon Park, was still shown as Rs. 10000 instead of Rs. 8000 as mentioned in the order of 7-3-1902. To verify this, the file containing the original order in the D.P.W. Secretariat had to be sent for. & this was received on the 15th April on a requisition sent to the D.P.W. Secretary on the 12th April 1903.

On referring to the papers, it was found that the amount set apart for the acquisition of houses was only Rs. 8000/- & this was again pointed out to the President & explanation asked for (Docket no. 71. 1768 & $\frac{16}{21}$ April 1903). A reminder was sent on the 14th May. The President's

reply was received on the 25th May.
Stating that the Dy Commr. drew
from the Mysore District Treasury
a Sum of Rs. 10000. (probably on a
D.P.W. cheque) & placed it at the
disposal of the President for expendi-
ture in connection with the acqui-
sition of houses, & that the ad-
ditional grant required was only
Rs. 5567-2-0 instead of Rs. 8765-2-0
as originally applied for.

The order sanctioning this ad-
ditional grant, was issued on the
28th May.

able for expenditure &
that the amount required
was Rs 1,423-2-0 while in

out of Rs 50,000/- was
